PETITION FOR RULE MAKING

Pursuant to 47 C.F.R. 1.401, Charles Crawford respectfully petitions the FCC to institute a Rule Making proceeding to amend the FM Table of Allotments to add Channel 250C3 at Bangs, Texas.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 250C3 to Bangs, Texas as that community's first local FM service. Bangs, Texas is an incorporated city with a population of 1,620 people.¹ Bangs has its own mayor, C.B. Alexander, its own post office, fire department, city hall, its own elementary and high school and a number of local churches. Bangs is a community that is certainly deserving of local FM service. The proposed channel 250C3 will provide additional diversity and an outlet for local self-expression to Bangs residents and therefore is in the public interest.

Attached hereto is a channel study confirming that Channel 250C3 can be allocated to Bangs, Texas, consistent with the FCC's FM separation rules. See revision of FM Assignment Policies and Procedures, 90 FCC 2d 88 (1992).

99 15 17 W

Should this petition be granted and Channel 250C3 be allotted to Bangs, Texas, Petitioner will apply for Channel 250C3 at Bangs and after it is authorized, will promptly construct the new facility.

The factual information provided in this Petition for Rule Making is correct and true to the best of my knowledge.

Respectfully submitted,
